Sr No.	Name of Firm	C.S Items #	Decision of TAC	Grievances	Decision
01	M/S Multan Chemical, Multan		Responsive	Pakistan oxygen lid does not have enough product to cater to the needs of hospitals in Punjab. Pakistan oxygen does not poses any GC-05 certificate from explosive department which is mandatory for the refilling of compressed gases. This is a major threat concern for safety and security of the patients of hospital. Moreover they do not have approved testing facility for cylinders fitness before refilling.	
02	M/S Medi Gas Pvt Ltd, Lahore	For Item Nitrous Oxide Valve	Non responsive due to not attached authority letter with tender	The firm submitted the grievance along with authority letter	The Committee scrutinized the record and discussed the matter in details. The committee rejected the firm presentation & upheld the decision of technical advisory committee.
